## Errata

The article published under the DOI number 10.1590/0100-6991e-20243753-en, published in the Journal of the Brazilian College of Surgeons. 51:e20243753.

**In the title, where it is:**

"Laparoscopic Pancreatoduodenectomy: Twenty years later, where are we?"

**It should be:**

"Laparoscopic Pancreatoduodenectomy: Thirty years later, where are we?"

**And where it is:**

"ABSTRACT: In its 20th anniversary, laparoscopic pancreatoduodenectomy, while feasible

and safe in the hands of experienced surgeons, has not seen the anticipated popularity observed in other digestive surgery procedures. (...)"

**It should be:**

"ABSTRACT: In its 30th anniversary, laparoscopic pancreatoduodenectomy, while feasible and safe in the hands of experienced surgeons, has not seen the anticipated popularity observed in other digestive surgery procedures. (...)"
